PAYOUT
Colocation

per half cabinet

\$250
PAYOUT
4G LTE Primary

Applies to primary access
circuit only. Secondary/backlog
4G LTE not eligible.

New SPIFs valid 9/1/20 Must be
minimum 3-yr term • Orders must be
new; MACD, MOVES, or RECONFIG
are not eligible (except for reconfigs that
are new UCx and/or new MSx orders)
• Sales requiring special pricing (NSR)
require prior written exception for SPIF
eligibility by SVP • No other promotion
stipulations required • SPIF is paid within
first commission cycle, once customer
has billed • No maximum payout per
order (with the exception of UCx and MSx
orders) • SPIF qualifying period will be
determined by the signed date according
to TPx's systems • Cancelled or
disconnected orders in first 12 months
will result in a SPIF chargeback • POTS
lines do not qualify • Only agents with
a signed agent agreement can participate
and the T&Cs of the agreement apply •
TPx reserves the right to change the SPIF
program at any time

MSx/UCx SPIFs do not include access. SPIFs apply to 'first time' customers, even if they
have existing TPx service. Maximum payout: \$100,000 each for MSx and UCx SPIF columns.
