**SECTION 11 – FEES AND SURCHARGES**

**11.1 In-State Carrier Cost Recovery Fee**

A monthly service charge will be applied to each intra-state Customer's account in order to recover certain costs associated with the Company's compliance with annual regulatory compliance fees, foreign corporation maintenance and wholesale cost increases resulting from recent regulatory actions. This monthly charge is applied if a Customer has \$0.01 or more of new billable charges on their bill, including, but not limited to, monthly recurring charges, or minimum usage charges. This charge does not contribute towards any applicable minimum monthly charge.

In-State Carrier Cost Recovery Fee	<u>Amount</u>
	1.82% of billed intrastate charges

**11.2 Printed Invoice Fee**

The Company provides local exchange services exclusively to business customers; Company does not provide service to residential customers. All business customers are offered the ability to use electronic/e-mail billing and payment options to manage their relationship with the Company. The Company incurs expenses rendering paper invoices and processing non-electronic payments. The Company therefore will assess a Printed Invoice Fee for those customers who continue to choose the paper invoice/non-electronic payment option.

Printed Invoice Fee	<u>Amount</u>
	\$3.50 per invoice
