SECTION 2 - CUSTOM CALLING AND AUXILLIARY EXCHANGE SERVICES**1 Custom Calling Services****1.7 Caller ID – Number Only****A. Description**

Caller ID – Number Only is an arrangement which permits a customer with Local Exchange Service to receive the calling telephone number for calls placed to the customer. The calling telephone number will be forwarded from the terminating central office to compatible customer-provided display equipment associated with a customer's Local Exchange Service. The calling telephone number will be delivered during the first silent interval of ringing. For calls originating from a line within a multiline hunting group, only the main telephone number will be delivered. If the calling telephone number is not available for forwarding to the called party, a message indicating that unavailability will be forwarded.

B. Rates

\$4.71 per month, per arrangement

1.8 Caller ID – Name and Number**A. Description**

Caller ID – Name and Number is an arrangement which permits a customer with Local Exchange Service to receive the name and telephone number of the calling party for calls placed to the customer. The calling party name and telephone number will be forwarded from the terminating central office to compatible customer-provided display equipment associated with a customer's Local Exchange Service. The calling party name and telephone number will be delivered during the first silent interval of ringing. For calls originating from a line within a multiline hunting group, only the main telephone number will be delivered. If the calling telephone number is not available for forwarding to the called party, a message indicating that unavailability will be forwarded.
